Github: <https://github.com/tussingj89/gaming-dashboard>

- Summary: A web page where users can log in, record the games they've played and their reviews, as well as see other users' reviews.
- Role: Development team contributor
- Tools: Node, Sequelize, Express, Handlebars, ORMS, MYSQL, Heroku, JAWSDB, Husky, and Nodemon, Materialize CSS

EXPERIENCE

Diesel Mechanic

2009-Present

Adams County Truck Repair

Decatur, IN

Repaired, rebuilt, and replaced parts as needed to ensure safe and reliable diesel trucks and trailers for a variety of customers.

Key responsibilities:

- Rebuilt engines and transmissions quickly and with high quality.
- Performed repairs in a timely fashion to ensure that the customer could return to the road quickly.
- Adapted to the ever changing environment of new diesel truck engines and computer systems.

Apprentice Diesel Mechanic

2009-2006

D&T Trucking

Decatur, IN

Worked with a senior Diesel Mechanic to learn the skills needed to perform repairs to a safe and reliable quality.

Key responsibilities:

- Learned new skills quickly.
- Worked with a team to maintain trucks and fixed minor problems before they became big issues.
- Communicated with customers to understand their issues so as to fulfill their mechanical repair needs.
